BIG IDEAS. BIG DATA. BIG FINANCE.

Bridgewater Associates, headquartered in Westport, CT, is one of the world's largest hedge funds. The firm manages billions of dollars for governments, pension funds, and foundations, using deep research, advanced technology, and global economic analysis. If you're interested in economics, psychology, investing, or data science, Bridgewater is a high-powered place to grow.

ELITE BENEFITS FOR HIGH STANDARDS

Employees at Bridgewater receive excellent pay, full health coverage, generous time off, 401(k) with company match, wellness stipends, and strong career coaching. The company offers a unique culture built on radical transparency and continuous feedback, making it an intense but rewarding environment.

START WITH INSIGHT, BUILD WITH DISCIPLINE

Bridgewater offers internships and entry-level roles in investment research, engineering, data analysis, and client services. You'll work alongside top thinkers in a fast-paced, learning-rich environment where curiosity and clear thinking are key. Ideal for students who love solving complex problems.

UNDERSTANDING THE WORLD—AND SHAPING IT

At Bridgewater, the work is about more than money. Analysts study how the world works—economies, politics, human behavior—and use those insights to guide global investment decisions. It's a workplace for deep thinkers who want to explore big questions and be part of a company that influences the global economy.

CAREER CLUSTER: FINANCE

IDEAL FOR STUDENTS WHO ENJOY MATH, ECONOMICS, AND ANALYZING DATA, BRIDGEWATER ASSOCIATES IS A GLOBAL INVESTMENT FIRM WHERE YOU CAN EXPLORE CAREERS IN FINANCE, RESEARCH, AND TECHNOLOGY. IT'S A GREAT FIT FOR CURIOUS, ANALYTICAL THINKERS INTERESTED IN HOW MARKETS WORK.
