DESIGNING OUTDOOR SPACES WITH PRIDE

Ceci Brothers Inc., based in Greenwich, CT, is a family-owned landscaping and grounds maintenance company. They work on high-end residential and commercial properties, creating beautiful lawns, gardens, patios, and walkways. If you like working outdoors, using tools, and seeing your work come to life, this could be a perfect fit.

EARN WHILE YOU BUILD SKILLS

Ceci Brothers offers competitive pay, retirement benefits, and a work environment where you learn directly on the job. It's a great place to gain real-world experience quickly. Employees also benefit from seasonal flexibility and the chance to learn multiple trades—from planting and pruning to masonry and hardscaping.

START SMALL, GROW STEADY

You can begin with no experience and learn as you go. Many crew members move up to become team leads or supervisors after gaining hands-on skills. With time and dedication, landscaping can become a long-term, well-paid career in design, project management, or business ownership.

BEAUTIFY COMMUNITIES, ONE YARD AT A TIME

At Ceci Brothers, your work has a visible impact. You're making properties look great, improving neighborhoods, and working as part of a close-knit team. For students who enjoy physical activity, teamwork, and creativity, it's a fulfilling job with real results at the end of every day.

CAREER CLUSTER: ARCHITECTURE & CONSTRUCTION, MANUFACTURING, AND BUSINESS MANAGEMENT

PERFECT FOR STUDENTS INTERESTED IN LANDSCAPING, CONSTRUCTION MANAGEMENT, DESIGN-BUILD SERVICES, EQUIPMENT OPERATION, AND RUNNING OR SUPPORTING A SKILLED TRADE BUSINESS.
