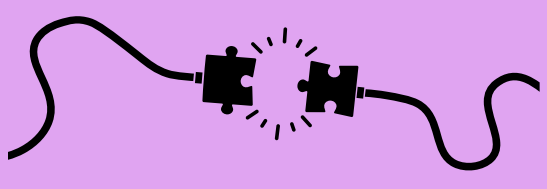
CONNECTING MILLIONS ACROSS AMERICA

Charter Communications, headquartered in Stamford, CT, is one of the largest telecommunications companies in the U.S. under the Spectrum brand. They provide internet, cable TV, mobile, and voice services to over 30 million customers. Whether you're into tech, business, marketing, customer service, or media production, Charter offers a wide range of career paths at the cutting edge of communication.

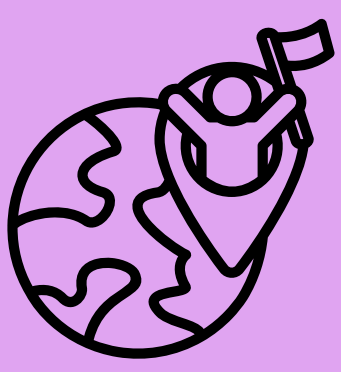


BIG COMPANY, BIG BENEFITS

Charter offers strong salaries, full health coverage, 401(k) with company match, tuition reimbursement, paid vacation, and employee discounts on internet and TV services. The company also promotes diversity, teamwork, and internal mobility—so once you're in, there's real opportunity to grow.

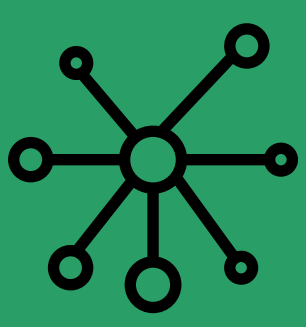
START LOCAL, RISE NATIONAL

Whether you begin as a customer service rep, field technician, or intern, Charter has structured training programs to help you build your skills and move up. Many employees start in entry-level roles and grow into project management, network engineering, or creative roles in media and content strategy.



POWERING THE FUTURE OF COMMUNICATION

At Charter, you help deliver internet, entertainment, and news to homes and businesses across the country. Your work directly connects people to their jobs, schools, families, and information. If you like solving problems and staying on top of tech trends, it's a meaningful way to shape how the world communicates.

CAREER CLUSTER: INFORMATION TECHNOLOGY & BUSINESS MANAGEMENT


IDEAL FOR STUDENTS WHO ARE TECH-SAVVY, CREATIVE, OR INTERESTED IN MEDIA AND COMMUNICATIONS, CHARTER COMMUNICATIONS OFFERS CAREERS IN IT, CUSTOMER SERVICE, MARKETING, AND NETWORK OPERATIONS. IT'S A GREAT FIT FOR THOSE WHO WANT TO WORK AT THE INTERSECTION OF TECHNOLOGY, BUSINESS, AND DIGITAL CONTENT.
