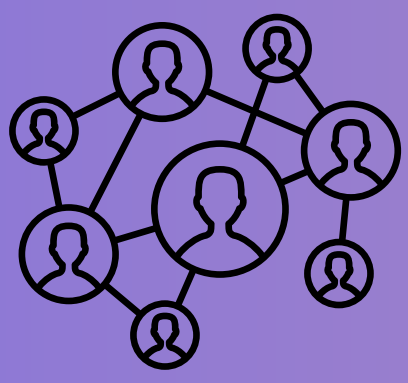
ADVICE THAT MOVES THE BUSINESS WORLD

Gartner Inc., with a major office in Stamford, CT, is a global research and advisory firm that helps companies make smarter decisions in technology, finance, marketing, and more. By analyzing trends and providing expert advice, Gartner supports thousands of businesses—including some of the biggest in the world. It's a great starting point for students curious about business strategy, data, or tech.

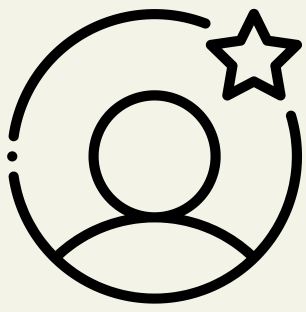


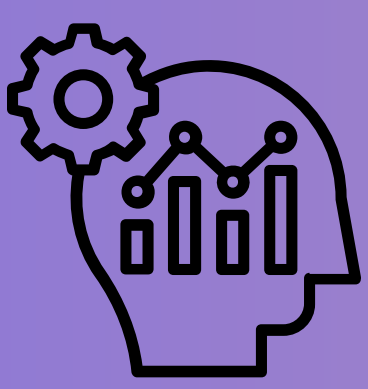
BIG BENEFITS AND GLOBAL REACH

Gartner offers strong salaries, comprehensive healthcare, retirement plans with 401(k) matching, generous vacation, and wellness programs. Employees also get access to leadership development programs and a network of international offices, making it a strong launchpad for ambitious professionals.

GROW FROM INTERN TO EXECUTIVE

Whether you start in sales, client services, research, or support, Gartner has a structured training program and clear career paths. Internships and entry-level roles offer exposure to top executives, real-world data analysis, and global business conversations. It's a strong fit for students interested in blending business with big-picture thinking.





SHAPE THE FUTURE OF TECH AND BUSINESS

Working at Gartner means helping organizations across industries stay ahead of the curve. From artificial intelligence to digital marketing, your insights could guide the next major business trend. It's a chance to be part of something global, fast-moving, and future-focused—while building real-world experience right here in Connecticut.

CAREER CLUSTER: BUSINESS MANAGEMENT & ADMINISTRATION

IDEAL FOR STUDENTS WHO ARE ANALYTICAL, CURIOUS, AND INTERESTED IN HOW COMPANIES MAKE DECISIONS, GARTNER INC OFFERS CAREERS IN RESEARCH, CONSULTING, SALES, AND BUSINESS STRATEGY. IT'S A GREAT FIT FOR THOSE WHO ENJOY SOLVING PROBLEMS, COMMUNICATING IDEAS, AND EXPLORING TRENDS IN TECHNOLOGY AND BUSINESS.
