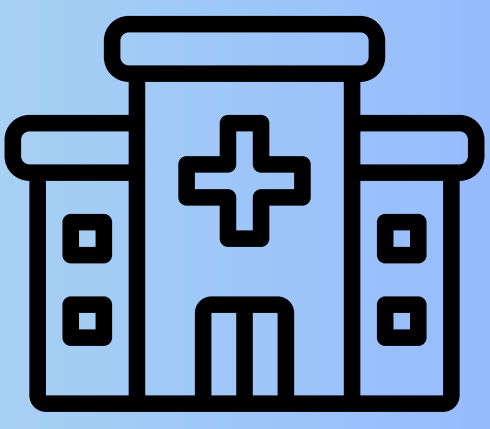
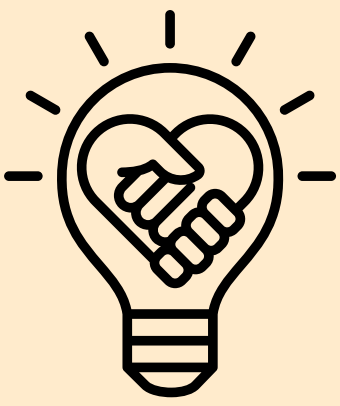
A TEACHING HOSPITAL AT THE HEART OF THE COMMUNITY

The Hospital of Central Connecticut (THOCC), New Britain General Campus, is a 414-bed acute-care teaching hospital affiliated with the University of Connecticut School of Medicine. It serves as a clinical education site for physicians, nurses, and many other healthcare professionals. As a Level III Trauma Center, it provides comprehensive emergency services and a wide range of specialized care.



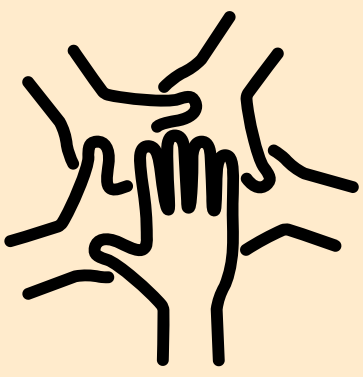


COMPREHENSIVE BENEFITS AND CAREER GROWTH

Employees at THOCC enjoy competitive salaries, comprehensive health insurance, retirement plans, paid time off, and tuition reimbursement. The hospital fosters a supportive environment with opportunities for professional development and career advancement across various departments.

START YOUR HEALTHCARE JOURNEY HERE

THOCC offers a variety of entry-level positions suitable for high school graduates, including roles in patient transport, administrative support, and clinical assistance. The hospital provides on-the-job training and encourages further education, making it an ideal place to begin a career in healthcare.



MAKING A DIFFERENCE EVERY DAY

Working at THOCC means being part of a team dedicated to improving patient lives. Whether you're assisting in surgeries, supporting patients during recovery, or ensuring the hospital runs smoothly, your role contributes to the well-being of the community.

CAREER CLUSTER: HEALTH SCIENCE, HUMAN SERVICES & SUPPORT SERVICES
