WHERE HEALTH MEETS BIG DATA

IQVIA is a global leader in health technology and clinical research, with offices in Connecticut and around the world. The company helps develop new medicines and improve patient care by combining science, data, and tech. If you're into biology, coding, research, or analytics, IQVIA offers exciting opportunities in a fast-growing field where healthcare and innovation meet.

SMART BENEFITS FOR BRIGHT MINDS

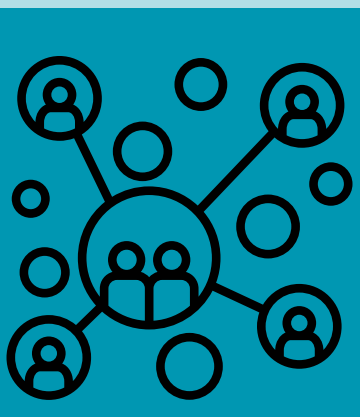
Employees enjoy competitive salaries, health and dental coverage, paid time off, tuition assistance, and 401(k) plans with company match. IQVIA promotes flexible work options, wellness programs, and a global, team-based culture focused on solving real-world health problems.

FROM INTERNSHIP TO IMPACT

IQVIA offers internships and early-career roles in data science, clinical trials, software engineering, and operations. You can start in a support or coordinator role and grow into project management, data analysis, or regulatory positions. It's a great fit for students who are analytical, tech-savvy, and curious about the future of medicine.

IMPROVING HEALTH AROUND THE WORLD

Whether helping test a life-saving drug or designing tools that track health outcomes, your work at IQVIA can have global impact. The company partners with hospitals, pharmaceutical companies, and researchers to make healthcare smarter and more effective. It's a mission-driven place for people who want to make a difference through science and technology.

CAREER CLUSTER: HEALTH SCIENCE & INFORMATION TECHNOLOGY


IDEAL FOR STUDENTS INTERESTED IN BIOLOGY, TECHNOLOGY, DATA, AND THE FUTURE OF HEALTHCARE.
