LEADING THE WAY IN MENTAL HEALTH CARE

The Institute of Living, located in Hartford, CT, is one of the oldest and most respected psychiatric facilities in the country. As part of Hartford HealthCare, it provides inpatient and outpatient services for children, teens, and adults dealing with mental health conditions. It's a place where science, compassion, and community come together to support healing.

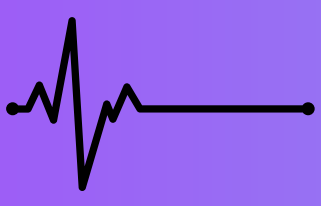
SUPPORTIVE BENEFITS FOR A HELPING CAREER

Employees receive strong healthcare coverage, paid time off, retirement savings options, tuition reimbursement, and wellness support. The Institute fosters a collaborative, respectful environment where mental health professionals, support staff, and students can grow and contribute meaningfully.

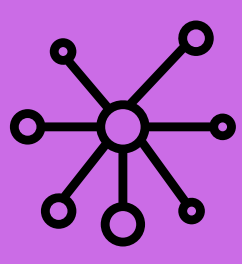
START IN CARE, GROW INTO LEADERSHIP

From entry-level roles like patient support techs and office assistants to clinical training programs, the Institute offers clear steps to grow. You can begin with no medical experience and work toward a career in psychiatric nursing, social work, art therapy, or behavioral health through on-the-job learning and education partnerships.

BE A LIFELINE FOR THOSE IN NEED



Working at the Institute of Living means being part of someone's journey to wellness. Whether helping a teen navigate anxiety or assisting a patient through recovery, your role brings comfort and stability. It's an emotionally powerful field for students who care deeply about people and want to make a real difference.

CAREER CLUSTER: HEALTH SCIENCE & HUMAN SERVICES


IDEAL FOR STUDENTS WHO ARE COMPASSIONATE, THOUGHTFUL, AND INTERESTED IN MENTAL HEALTH, THE INSTITUTE OF LIVING OFFERS CAREERS IN PSYCHIATRY, PSYCHOLOGY, SOCIAL WORK, AND PATIENT SUPPORT. IT'S A STRONG FIT FOR THOSE WHO WANT TO HELP OTHERS THROUGH EMOTIONAL AND BEHAVIORAL HEALTHCARE.
