WORK WHERE THE FUN NEVER STOPS

Lake Compounce, located in Bristol, CT, is the oldest continuously operating amusement park in the U.S.—and one of the most popular summer destinations in New England. From thrill rides and water slides to games, food, and live entertainment, the park offers seasonal jobs in customer service, ride operations, food service, lifeguarding, and more.

FLEXIBLE HOURS, FUN PERKS

Employees at Lake Compounce enjoy flexible scheduling (great for students), park discounts, free admission on days off, and the chance to work with friends in a lively, energetic setting. It's a perfect first job or summer gig for teens looking to earn money and build people skills in a team-oriented environment.

GROW FROM SUMMER JOB TO CAREER

While many start out in seasonal roles, standout employees can return each year, move into leadership or supervisor roles, and even launch careers in hospitality, operations, or entertainment. The park offers training in customer service, safety, and teamwork—skills that look great on a resume no matter your future path.

MAKE MEMORIES FOR THOUSANDS

Every day, you'll help families, friends, and guests have unforgettable experiences. Whether you're keeping riders safe, serving up snacks, or running games, your job brings joy. It's fast-paced, social, and rewarding—and a great way to build confidence while being part of something exciting all summer long.
