CARING FOR CONNECTICUT'S SENIORS

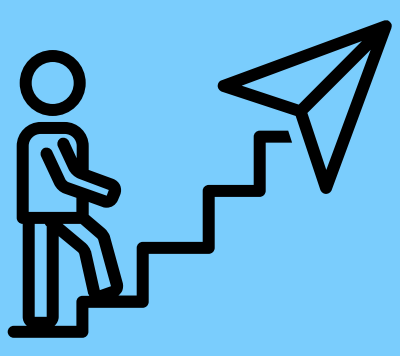
Masonicare Health Center, located in Wallingford, CT, is a leading provider of senior healthcare and retirement living. From skilled nursing and rehabilitation to memory care and assisted living, Masonicare supports aging adults with dignity and compassion. It's a great place to start a career if you care deeply about helping others, especially older adults.

SUPPORTIVE BENEFITS IN A CARING CULTURE

Employees receive competitive wages, healthcare coverage, paid time off, retirement savings plans, and tuition assistance. Masonicare is known for its welcoming environment, staff appreciation events, and commitment to work-life balance. Whether you're full-time or part-time, you're treated like part of a family.

FROM ENTRY-LEVEL TO EXPERT

You can start as a CNA, dietary aide, or activity assistant—and work your way up to roles in nursing, administration, therapy, or clinical leadership. Masonicare offers paid training, certification programs, and continuing education to help you grow, even if you're new to the healthcare field.



MAKE A DAILY DIFFERENCE

At Masonicare, your work has real heart. Whether helping someone recover from surgery or simply brightening a resident's day, every role contributes to a better quality of life. It's a meaningful career with deep personal rewards—especially for students who value service, compassion, and community.
