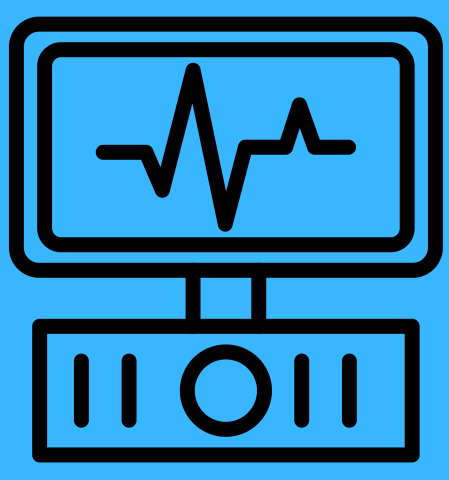
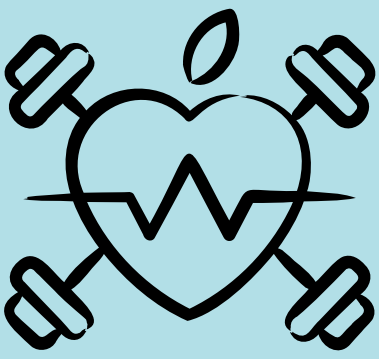
medtronic.com

ENGINEERING HEALTH SOLUTIONS THAT SAVE LIVES

Medtronic is one of the world's largest medical device companies, with a strong presence in North Haven, CT. They design and manufacture life-saving technologies like pacemakers, insulin pumps, surgical tools, and robotic systems. If you're interested in biology, mechanics, or helping people through science and technology, Medtronic offers exciting and impactful career paths.



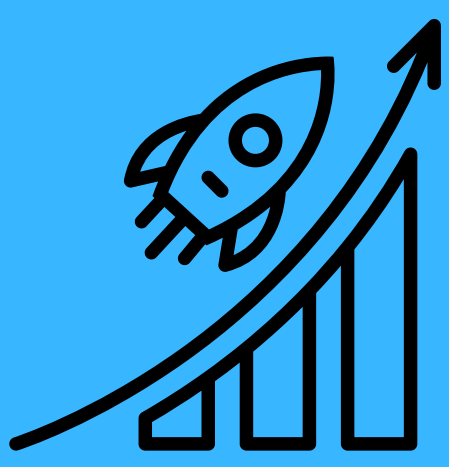
PREMIUM BENEFITS WITH PURPOSE



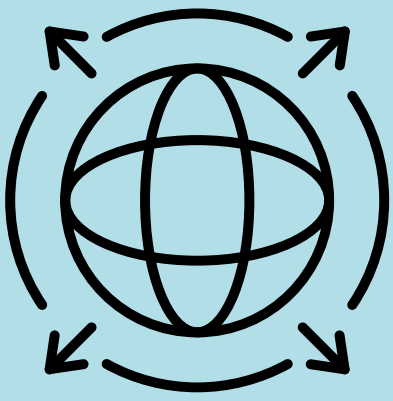
Employees at Medtronic enjoy excellent healthcare coverage, 401(k) with matching, paid time off, wellness programs, and tuition reimbursement. The company offers flexible work schedules, professional development, and a mission-driven culture focused on making healthcare more effective and accessible.

START SMALL, BUILD BIG

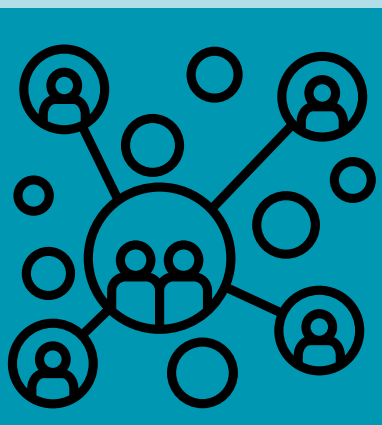
Whether you begin in a manufacturing role, quality control, or as an intern, Medtronic provides strong training and advancement opportunities. You can grow into careers in biomedical engineering, regulatory affairs, research, or leadership roles. It's a great fit for students passionate about STEM and problem-solving.



MAKING A GLOBAL IMPACT FROM CT



Every product you help make or support at Medtronic has the potential to save or improve someone's life. From heart surgery to diabetes management, your work touches patients worldwide. It's a career with real meaning—and a chance to leave a legacy in healthcare innovation.

CAREER CLUSTER: HEALTH SCIENCE & MANUFACTURING


IDEAL FOR STUDENTS WHO ENJOY SCIENCE, HEALTH, AND HOW THINGS WORK, MEDTRONIC BLENDS BIOLOGY AND ENGINEERING TO CREATE LIFE-SAVING MEDICAL TECHNOLOGY. IT'S A GREAT FIT FOR THOSE WHO WANT TO MAKE A REAL-WORLD IMPACT THROUGH STEM.
