CARE YOU CAN TRUST IN THE HEART OF CT

Middlesex Hospital, part of Middlesex Health, is a full-service, nonprofit hospital located in Middletown, CT. It provides everything from emergency care and surgery to cancer treatment and physical therapy. As a community hospital known for quality and compassion, it’s a great place to begin a career in healthcare—whether you're interested in medicine, operations, or support services.

STRONG BENEFITS FOR EVERY ROLE

Employees receive excellent health insurance, paid time off, tuition reimbursement, retirement plans, and access to wellness resources. Middlesex Health emphasizes work-life balance and professional development—creating a supportive culture for people in all stages of their careers.

BUILD YOUR CAREER FROM THE GROUND UP

You can start in entry-level roles such as patient transport, food services, or medical assisting, and grow into nursing, radiology, or health tech positions. The hospital partners with local schools and offers ongoing training, making it easy for high school grads to earn certifications and advance.

HEALING WITH HEART AND PURPOSE

Every employee at Middlesex Health plays a part in helping patients heal and feel cared for. Whether you're helping behind the scenes or working directly with patients, your efforts contribute to a healthier, stronger community. It’s meaningful work in a respected, local setting.

CAREER CLUSTER: HUMAN SERVICE

IDEAL FOR STUDENTS WHO ARE INTERESTED IN MEDICINE, NURSING, OR ALLIED HEALTH CAREERS, MIDDLESEX HOSPITAL OFFERS OPPORTUNITIES IN PATIENT CARE, DIAGNOSTICS, AND CLINICAL SUPPORT.
