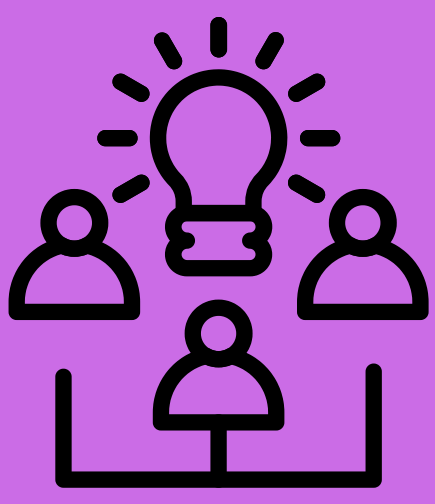
NEAT CENTER AT OAK HILL ASSISTIVE TECHNOLOGY SERVICES

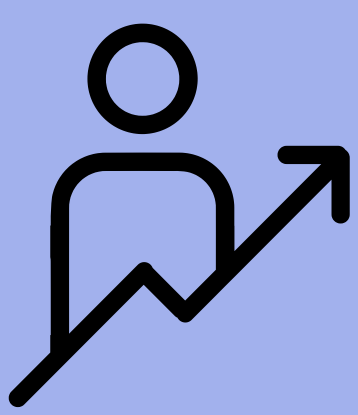
Hartford, Connecticut

oakhillct.org

EMPOWERING INDEPENDENCE THROUGH TECHNOLOGY

CIB/NEAT, located in Hartford, CT, is part of Oak Hill—Connecticut's largest private provider of services for people with disabilities. The NEAT Center (New England Assistive Technology) offers tools, training, and services that help individuals with disabilities and aging adults live more independently. From smart home devices to adaptive communication tools, NEAT connects people with the technology they need to thrive.



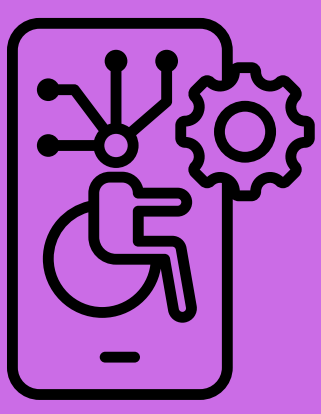


BENEFITS THAT SUPPORT YOUR GROWTH

Employees enjoy comprehensive health benefits, paid time off, retirement plans, and access to professional development programs. The organization fosters a supportive environment that values innovation and collaboration, making it an ideal place for those passionate about making a difference.

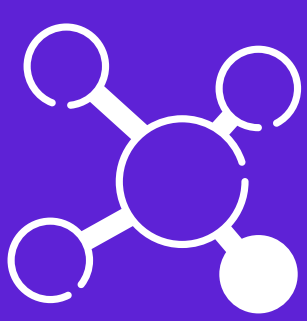
START YOUR CAREER IN ASSISTIVE TECHNOLOGY

CIB/NEAT offers entry-level positions such as administrative support, equipment technicians, and program assistants. With on-the-job training and opportunities for advancement, employees can grow into roles like assistive technology specialists, educators, or program coordinators.



MAKING A DIFFERENCE EVERY DAY

Working at CIB/NEAT means contributing to a mission that enhances the quality of life for individuals with disabilities. Whether you're helping someone find the right communication device or teaching them how to use new technology, your work has a direct and meaningful impact on the community.

CAREER CLUSTER: HUMAN SERVICES & INFORMATION TECHNOLOGY


IDEAL FOR STUDENTS WHO ARE COMPASSIONATE, TECH-SAVVY, AND INTERESTED IN HELPING PEOPLE WITH DISABILITIES, THE NEAT CENTER AT OAK HILL OFFERS CAREERS IN ASSISTIVE TECHNOLOGY, REHABILITATION, AND SUPPORT SERVICES. IT'S A GREAT FIT FOR THOSE WHO WANT TO COMBINE TECHNOLOGY WITH MEANINGFUL, PERSON-CENTERED WORK.
