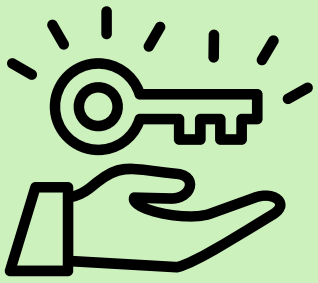
REVITALIZING HARTFORD'S SKYLINE

Shelbourne CT LLC is a real estate investment and development firm with a significant presence in downtown Hartford. They own and manage several prominent properties, including the Gold Building, 100 Pearl Street, Metro Center, and 20 Church Street . Shelbourne focuses on transforming underutilized office spaces into vibrant mixed-use developments, contributing to the city's ongoing revitalization efforts.

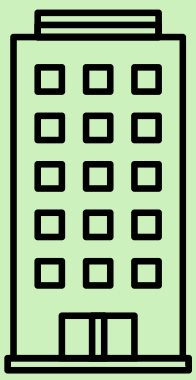
OPPORTUNITIES IN REAL ESTATE DEVELOPMENT



Shelbourne offers career paths in property management, leasing, construction, and urban planning. Employees gain experience in managing large-scale projects, coordinating with city officials, and engaging with community stakeholders.The company values innovation and collaboration, providing a dynamic work environment for those passionate about urban development.

GROWTH THROUGH COMMUNITY ENGAGEMENT

Starting with the acquisition of key properties, Shelbourne has expanded its portfolio by investing in projects that blend residential, commercial, and cultural spaces. Their approach emphasizes community engagement, aiming to create inclusive spaces that cater to diverse populations. This strategy not only enhances the urban landscape but also offers employees the chance to contribute to meaningful community development.



BUILDING A BETTER HARTFORD

Shelbourne's projects have a lasting impact on Hartford's community by providing quality housing, stimulating local businesses, and preserving historic architecture. Their commitment to sustainable and inclusive development makes them a key player in shaping the city's future. For students interested in making tangible changes in their communities, a career with Shelbourne offers the opportunity to be at the forefront of urban transformation.
