## *THE HARTFORD: WHERE FUTURES ARE INSURED*

The Hartford is one of Connecticut's most well-known financial companies, offering insurance products that help protect people, businesses, and their futures. Headquartered in Hartford, the company has been around for over 200 years and is trusted across the U.S. for its reliability. Careers at The Hartford range from customer service and data analysis to marketing, software development, and finance.

## BENEFITS THAT BACK YOU UP

Employees at The Hartford enjoy competitive salaries, strong health insurance, a 401(k) with company matching, paid time off, tuition support, and wellness perks like gym discounts and mental health resources. There are also leadership and early-career programs designed to help young employees learn, grow, and build long-term careers.

## START SMALL, GROW BIG

Whether you're just out of high school or finishing college, The Hartford offers internships, training, and entry-level positions that lead to full-time roles. You can start in customer service or operations and grow into roles in business strategy, tech, or management. They want employees who are curious, coachable, and ready to learn.

## WORK THAT MEANS SOMETHING

At The Hartford, you're not just pushing papers—you're helping protect people's homes, cars, and livelihoods. The work you do can help families recover from accidents or businesses bounce back from storms. It's a job with stability, purpose, and a strong team culture in the heart of Connecticut's capital.
