PROTECTING WHAT MATTERS

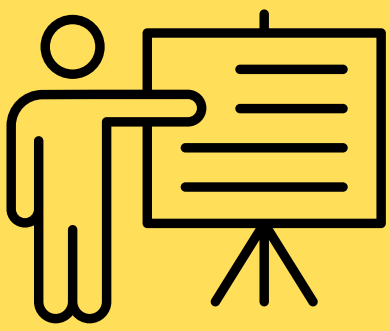
Travelers Indemnity Company, based in Hartford, is one of the largest and oldest insurance companies in the U.S. It offers protection for homes, cars, businesses, and more. Whether you're into numbers, customer service, coding, or legal work, Travelers has opportunities that blend real-world impact with long-term stability.

BIG BENEFITS, BIG POSSIBILITIES

Employees get excellent health insurance, a 401(k) with matching, a company-funded pension plan, paid vacation, tuition reimbursement, and even student loan repayment assistance. Travelers is known for investing in its people—whether you're just starting out or aiming to grow into leadership.

LEARN IT. LEAD IT.

Travelers has one of the strongest internship and early-career programs in the state. You can start in roles like claims, customer service, or IT and move into higher-level jobs with mentoring and training. Many managers and executives started in entry-level roles and grew their careers from within.



HELPING PEOPLE THROUGH THE TOUGH STUFF

Insurance isn't just paperwork—it's about being there when people need support after a fire, accident, or major loss. At Travelers, you're part of a company that helps people bounce back from the unexpected. It's a stable, team-driven place where your work really means something.
