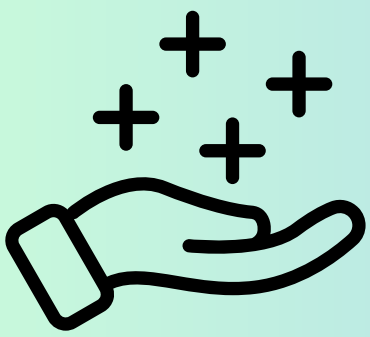
POWERING UP CONNECTICUT

IBEW Local 35 is the union for electricians and electrical workers in the Hartford area. Whether it's wiring new buildings, maintaining power systems, or installing cutting-edge tech, these professionals help keep the lights on—literally. Local 35 trains the best in the business and stands for quality, safety, and skill.

GREAT PAY, SOLID BENEFITS



Members of IBEW Local 35 earn strong wages with full benefits—including healthcare, retirement plans, and paid time off. Thanks to union-negotiated contracts, workers get fair compensation and job security in a growing, high-demand trade.

EARN WHILE YOU LEARN

You don't need to go to college to start a great career here. Local 35 offers a paid apprenticeship program where you can learn electrical work on the job while taking classes through the union. It's a real career pathway with no student debt and huge growth potential.

BROTHERHOOD THAT MEANS BUSINESS

IBEW isn't just about individual success—it's about having each other's backs. Members work together to protect safety standards, fight for better working conditions, and support one another throughout their careers. It's a true community of skilled professionals with pride in their craft.

CAREER CLUSTER: ARCHITECTURE & CONSTRUCTION

MEMBERS OF IBEW LOCAL 35 ARE SKILLED ELECTRICIANS WHO WORK IN RESIDENTIAL, COMMERCIAL, AND INDUSTRIAL ELECTRICAL SYSTEMS. THIS INCLUDES INSTALLING, MAINTAINING, AND REPAIRING WIRING, LIGHTING, AND ELECTRICAL CONTROLS. ANYONE PURSUING A CAREER AS AN ELECTRICIAN THROUGH APPRENTICESHIP OR LICENSED ELECTRICAL WORK CAN BE A MEMBER OF IBEW LOCAL 35.
