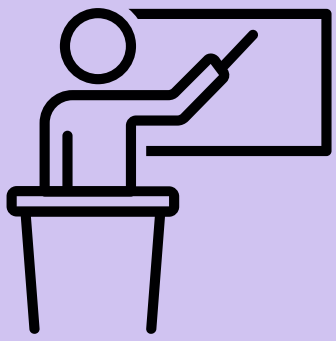
ADVOCATING FOR EDUCATORS, HEALTHCARE HEROES, AND PUBLIC WORKERS

AFT Connecticut is one of the state's largest and most diverse unions, representing over 30,000 public sector professionals. Its members include teachers, nurses, healthcare technicians, and state employees working across classrooms, hospitals, and government agencies. Whether you're supporting students, treating patients, or keeping public services running, AFT Connecticut fights for your rights, fair pay, and workplace protections.

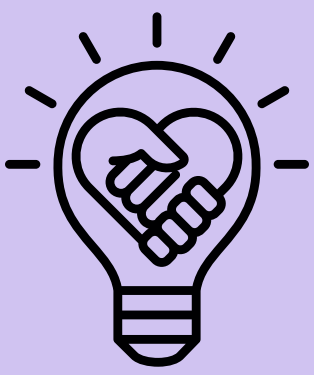


STRONG SUPPORT FOR EVERYDAY HEROES

Members benefit from collective bargaining, legal support, pension advocacy, professional development, and health coverage protections. AFT Connecticut also plays a major role in education and labor policy across the state.

A UNION THAT GROWS WITH YOU

From your first year as a teacher, nurse, or public employee, to leadership and advocacy roles, AFT Connecticut helps members grow in their careers while standing up for their communities. Members also have access to scholarships, workshops, and statewide networking opportunities.



MEMBER BENEFITS

Union members receive support with contract negotiations, legal protections, professional development, and access to benefits like retirement planning, healthcare advocacy, and education workshops.
