CARING FOR THOSE WHO SERVED

The VA Connecticut Healthcare System provides medical care and support services to U.S. military veterans throughout the state. With major campuses in West Haven and Newington, plus outpatient clinics across Connecticut, the system offers everything from primary care and mental health to surgery, rehab, and long-term care. If you're interested in medicine, social work, or helping those who've served the country, this is a meaningful place to start.

FEDERAL BENEFITS WITH PURPOSE

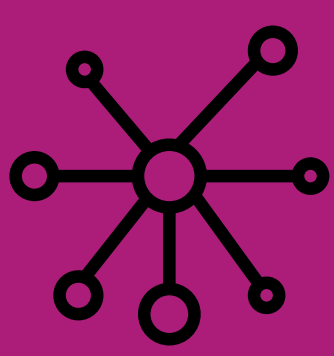
VA employees enjoy competitive government salaries, full healthcare coverage, paid holidays, vacation time, and access to federal retirement and pension plans. There are also tuition assistance programs and strong job protections, making it one of the most stable and benefit-rich places to work in healthcare.

BUILD A CAREER THAT MATTERS

Whether you start as a health tech, food service worker, administrative assistant, or transport aide, the VA offers clear paths for growth. With structured training, mentorship, and internal mobility, many employees move into clinical, managerial, or specialized roles over time.

SERVICE WITH IMPACT

Every job at the VA helps veterans heal, feel supported, and live with dignity. Whether you're assisting in surgery prep, helping a patient check in, or delivering meals with a smile, your work directly honors and supports those who've served. It's a mission-driven environment where compassion meets professionalism.

CAREER CLUSTER: HEALTH SCIENCE


IDEAL FOR STUDENTS WHO ARE INTERESTED IN MEDICINE, MENTAL HEALTH, OR SERVING VETERANS, THE VA CONNECTICUT HEALTHCARE SYSTEM OFFERS CAREERS IN NURSING, THERAPY, MEDICAL SUPPORT, AND ADMINISTRATION. IT'S A GREAT FIT FOR THOSE WHO WANT TO COMBINE HEALTHCARE WITH PUBLIC SERVICE.
