CONNECTICUT'S CARE LEADER

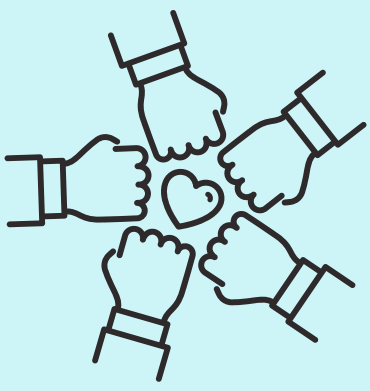
Yale New Haven Health System is one of the largest and most respected healthcare networks in the state. With hospitals and clinics across Connecticut—including Yale New Haven Hospital, Bridgeport Hospital, and Greenwich Hospital—YNHHS offers a wide range of jobs in medicine, administration, technology, customer service, and support services.

BENEFITS THAT CARE FOR YOU

Employees at YNHHS receive excellent health insurance, paid time off, retirement savings with matching contributions, tuition reimbursement, and wellness support. Whether you're part-time or full-time, the system provides benefits that support your physical, financial, and emotional well-being.

GROW IN A CAREER THAT SAVES LIVES

YNHHS is committed to helping employees grow, offering training programs, career ladders, and partnerships with local schools. Entry-level roles in patient care, admin, and operations can lead to long-term careers in nursing, diagnostics, IT, and beyond. Many staff members start in support roles and rise into leadership.



MISSION-DRIVEN AND TEAM-FOCUSED

At YNHHS, you're part of a team focused on improving lives and advancing health for all. Employees describe a supportive, collaborative culture where everyone—from environmental services to emergency care—plays a vital role in delivering excellent patient outcomes. It's a career with heart, purpose, and community impact.

CAREER CLUSTER: HEALTH SCIENCE, HUMAN SERVICES, AND BUSINESS MANAGEMENT

PERFECT FOR STUDENTS INTERESTED IN NURSING, CLINICAL SUPPORT, HEALTHCARE ADMINISTRATION, MENTAL HEALTH SERVICES, AND THE OPERATIONS BEHIND ONE OF THE STATE'S LARGEST HEALTHCARE NETWORKS.
